Dear Mr. Roderick:

I take particular pleasure in thanking you for meeting with the senior Agency officers in our Executive Development Seminar during their recent trip to Pittsburgh. I firmly believe that it is important that our officers have a clear understanding of the key issues confronting U.S. industry today. The combination of the tour of the National Duquesne Works, your presentation, and the program arranged by Mr. Mulloney contributed significantly to that understanding.

Sincerely,

/s/ William J. Casey
